

POSTAGE QUITE ONE CENT TO SEND SINGLE PARCEL

Figures For First Part of Month Show Good Record at Local Office in Number of Deposits

The average cost to deliver each of the 7,755 packages received in the parcels post at the South Bend office during the first half of October, was nine-tenths of a cent. These figures have been compiled as the result of a count of all parcels entering and leaving the local office from Oct. 1 to 15.

The count was made at the request of the department at Washington and as the figures obtained throughout the country the department will base its rearrangement of zones and postage charges.

An excess of receipts over expenditures at the local office in a ratio of nearly seven to one is an outstanding feature of the local report. It is believed this record will compare favorably with any city in the country.

The postage received on parcels dispatched was \$1461.64. The total cost in carriers' time and increased clerk hire will not exceed \$290 for the period. The parcels dispatched weighed over 11 tons, 22,299 pounds, the average weight being one and one-half pounds.

Of the parcels received 5,471 were delivered by the regular carriers and the remainder in the following manner: By auto, 229; by horse drawn vehicles, 864; by auxiliary carrier in business district, 831.

It is notable that more than half of the packages dispatched were sent distances of 600 to 1,000 miles. There were but 70 local packages.

Should the reports of other cities show the bulk of the business in the fourth and fifth zones, the postage will probably be reduced in the reorganization of the zone system.

Here are the numbers of packages dispatched to the respective zones: 1350 first zone, 50 miles; 2892 second zone, 150 miles; 2098 third zone, 300 miles; 5238 fourth zone, 600 miles; 5750 fifth zone, 1000 miles; 1282 sixth zone, 1400 miles; 268 seventh zone, 1800 miles; 419 eighth zone, over 1800 miles.

SEE LITTLE HOPE FOR ATTY. DAVEY

With his last legal barrier gone Charles A. Davey, South Bend attorney, now has scarcely a chance of securing imprisonment for alleged tampering with a witness in the federal court at Indianapolis.

The supreme court of the United States has refused the writ of certiorari, for which the accused lawyer asked, denying his right to have the entire case reviewed by the higher court. The application for this writ was conceded to be Davey's last resort and the court's decision against him makes it probable that unless some unforeseen action is intervened the lawyer will be taken to Ft. Leavenworth in the near future.

Davey is out of the city now but is expected to return soon. Although he was sentenced by Judge Anderson in the federal district court, he has been at liberty while his appeal to the circuit court and later to the supreme court, were pending.

NEWSPAPER MEN IN ON PRE-NUPTIAL BANQUET

South Bend is to be the scene Saturday of an extraordinary pre-nuptial entertainment. Theodore Noel, a millionaire globe-trotter of Berrien Springs, will entertain newspaper men of southern Michigan at a dinner at the Oliver hotel.

Following the dinner Mr. Noel, who is 89 years old, will leave for Rochester, N. Y., to claim Miss Nan Lydon, 45, as his bride. Miss Lydon is said to be the heroine of the latest story by Noel, "An Old Man's Love Story."

Noel enjoys a wide acquaintance in the southern part of the state and newspaper men from Benton Harbor, St. Joseph and most of the country weeklies have been invited to the dinner. The party will enjoy a tour about the city before the dinner.

DEATHS

MRS. MARY F. SOUSLEY. Mrs. Mary F., 32, wife of William H. Sousley, 743 Prairie av., died Tuesday evening at 8:45 o'clock at the home of her parents, Mr. and Mrs. John Carbiener of Green township. Death was due to a complication of heart trouble and dropsy. The deceased was in her twentieth year.

Besides the husband and parents there are surviving one son, Herman Laviere Sousley, and three brothers, Lewis F., Joseph and Howard J. Carbiener.

Mrs. Sousley was born Oct. 21, 1881, at Sumption Prairie, Green township. She was married to Mr. Sousley Feb. 28, 1902. She was a member of the Sumption Prairie M. E. church for a score of years and organist the past eight years. She was also a leader in the activities of the Epworth league. She has been in South Bend since her marriage until a week ago when she went to her parents' home.

Funeral services will be held from the Sumption Prairie M. E. church Thursday noon. Burial will be in the Sumption Prairie cemetery.

Rev. John O. Mosier will officiate at the funeral.

MRS. ELIZABETH BAKER. Mrs. Elizabeth Baker, widow of Jacob Baker, died at the residence of her daughter, Mrs. Sam'l Bell, 623 E. Wengert st., Wednesday morning at 7:30 o'clock, after an extended illness of several months caused by paralysis.

Mrs. Baker was born in Ohio Jan. 7, 1839, and came to this city from Valparaiso nine years ago. She is survived by three sons, besides the daughter at whose home she died. George W. Harrison and Martin V., all of Valparaiso where her body will be taken for burial.

PLANS UNDER WAY TO HOLD DELEGATE TO LINCOLN HIGHWAY

South Bend Among Two Thousand Cities to Participate in Nation-wide Celebration on Night of Oct. 31.

Plans are on foot to have South Bend take part in the country wide dedication celebrations of the Lincoln Highway to be held on the night of Friday, Oct. 31. From New York to San Francisco, in more than 2,900 cities, towns and villages, the selection of the great transcontinental thoroughfare will be dedicated to the emancipator—Abraham Lincoln.

Interest in the highway in South Bend increases with the reorganization of the Northern Indiana Highway association in a complete merger with the Lincoln association. A committee has been appointed to determine what part if any, South Bend shall take in the celebration.

Cities on the route will naturally have the greatest part in these celebrations, but there will be many programs carried out at other points where good roads enthusiasts gather. The Lincoln Highway is to be placed on the map for all time with bonfires, speeches, parades, meetings, red fire, bonquets, fireworks and every form of outdoor and indoor jubilation fetes.

New York, Philadelphia, Pittsburgh, Canton, Mansfield, Gallion, Wooster, South Bend, Fort Wayne, Joliet, De Kalb, Clinton, Omaha, Cheyenne, Salt Lake City, Rawlins, Reno, Fallon, Sacramento, Oakland, San Francisco, these and hundreds of other points have all perfected arrangements. The program will be in charge either of the Lincoln Highway association, local societies or of the boards of trade, automobile clubs or other social and business organizations.

Subscriptions Come In. Reports made by the national headquarters show that the sale of contributor's certificates is rapidly growing. The Lincoln Highway is being built by popular subscription, no aid being asked of congress in its financing. Every class of citizenship is responding and from many other points besides those on or contiguous to the highway.

The organization of local associations for the improvement of highways and the enforcement of road laws will be a feature of the re-organized Lincoln Highway association of northern Indiana.

An association will be formed in each of the cities affiliated with the organization and the selection of these local bodies the central organization will be completed by the election of officers.

The governing body of the organization will be a board of directors, one director to be chosen from each of the various local associations. Of the dues 25 percent will go to the support of the state organization, five percent to the national organization, and the remainder to the local association provided for as follows: Finance, New Roads, Maintenance, Road Marking, Laws and Ordinances.

Name Changed. That the name of the Indiana division of the Transcontinental Highway association be changed to the Northern Indiana Lincoln Highway association, was the report presented by the committee which met at the Chamber of Commerce Tuesday night. The former organization was completely dissolved and was absorbed in the formation of the new society. The furthering of the Lincoln Highway is the primary object of interest to this new organization, as it intends to make it a part of their work to arouse the public interest toward a better road system in this part of the state.

This new organization includes ten towns and cities of the northern part of the state. These are Ligonier, Goshen, Elkhart, Mishawaka, South Bend, New Carlisle, Rolling Prairie, Valparaiso and Hobart. Committeemen from these towns have told of the interest to be found in each place and promise that considering the Lincoln highway as a national memorial, the aid from these places will be greatly beneficial.

Although the plans for the new society were adopted at once no officers have as yet been elected. This will be the primary purpose of the next meeting.

"RODY" MAY BE GUEST OF LOCAL KNIGHTS

Homer Rodeheaver, of the Billy Sunday party, will probably be the guest of Crusade Lodge No. 14, of the Knights of Pythias, next Tuesday night. He will talk and sing and the lodge will present him with a handsome honorary badge.

The lodge secured the present for the big singer to be given at the special services arranged for him about three months ago, when his illness compelled them to postpone the engagement.

Plans for the Halloween party Oct. 29, were left in the hands of a committee made up of D. D. Gibson, C. E. Snook, G. M. Taggart, Earl Wilson and John P. DeHaven. South Bend Symphony orchestra, led by C. A. Smith, will furnish the music with a 25 piece orchestra.

The pool and billiard schedule has been arranged and games will begin Nov. 1. Prizes have been donated by a number of the member merchants to the value of \$100. A membership banquet was arranged at the meeting Tuesday night to be held in November. A large oak altar which was received as a prize from the grand lodge of the state in the membership contest, was used for the first time at the meeting.

LAGRANGE GAME SETTLED

Lagrange has finally consented to meet the tan and blue eleven next Saturday at Springbrook park. Lagrange authorities were reached on the telephone Monday night and after much persuasion finally agreed to show up.

Coach Metzler and Capt. Rowe consider Lagrange the hardest opponent the locals will be called upon to meet and are making preparations for a hard game.

Yell practice for the contest under the leadership of Yell Leaders Swintz and Phelan will be held Thursday afternoon at the close of school in the gymnasium.

MRS. MILLER WON'T BE A FEDERATION CANDIDATE

ROBERTSON'S—Splendidly Equipped With Wear for Wintry Weather—ROBERTSON'S

tendants at conventions of the federation. Mrs. Miller has both popularity and the resolutions committee, will present the suffrage resolution. No one knows just how strong it is going to be, but the impression is it will be strong enough. Dr. Keller is one of Indiana's original suffragettes. She was a member of the Indiana State Suffrage association before the Woman's Franchise league was organized and is now active in the younger and more energetic organization.

Mrs. Grace Julian Clarke of Indianapolis and Mrs. C. C. Curry of Terre Haute have been appointed to defend the resolution and the fight promises to be a lively one.

"Country Contributor" There. Mrs. Juliet V. Strauss of Rockville, known to newspaper and magazine readers as "The Country Contributor," started the suffrage ball rolling Tuesday when she told the guests at a luncheon, many of whom were federation delegates, that the next practical thing for women's clubs to do was to work for woman suffrage, the most practical phase of the feminist movement.

The advocates of "votes for women" met at a franchise supper Tuesday evening and started more enthusiasm for their cause. The whole meeting has a suffrage tinge but the

party's pledges. Naturally they were at the mercy of an organization which utterly disregarded those principles.

Anti-Suffrage Leader. The stage is being set for a real scene when the suffrage resolution is introduced into the convention. The "anti" have found their Moses. It is Mrs. Roebuck of Wabash, Ind. Mrs. Roebuck is going to rise up and make a speech against "votes for women" when the resolution is read. She has definitely announced her intention of doing so, but nobody knows just what she is going to say.

When it became noised about the hotel that those were Mrs. Roebuck's intentions the delegates just threw up their hands, looked at each other and said: "Did you ever?"

The reason is that Mrs. Roebuck is the last person whom they would take for an "anti" on a "clinging vine." So they explained their reasons to each other. She is aggressive, determined, and very strong minded, so they say. She can make up her mind to start things they are started.

But she is. Dr. Amelia Keller, chairman of the resolutions committee, will present the suffrage resolution. No one knows just how strong it is going to be, but the impression is it will be strong enough. Dr. Keller is one of Indiana's original suffragettes. She was a member of the Indiana State Suffrage association before the Woman's Franchise league was organized and is now active in the younger and more energetic organization.

man and no other be nominated, would they have insisted that he be nominated by fair means or foul?
